September 20 ......................... Pat W.
September 22 ......................... Ann K.
September 24 ......................... Georgia H.

WELCOME RESIDENTS!
Donna D., Alice W., Theresa F.,
Virginia and Jack J.

In the Good Ol’ Summertime ... But Not This Summer!

I know how you all feel. This is sure getting old . . . the virus I mean! Everyone is so tired of all the same news, every day! Wash your hands, put on your mask, follow 6 feet social distancing and just as it looks like we might be getting back to “normal,” the numbers go up and here we are again.

Our residents have been exceptionally gracious during this difficult time and I commend everyone for that. Staff too, going above and beyond their usual duties to serve our community day after day. For now, please continue to follow all the CDC guidelines to stay healthy and safe.

We never saw this coming but we are now ready to
CONTINUATION....
say, “Enough, COVID go away!” We are all anxious to get on with everyday life, hug our families, hug each other and enjoy all that Eskaton has to offer. Yes, we are all in this together, and remember, it will not last forever!!

On a brighter note, our very own Brian Stuart has been honored for his years of dedicated service and devotion to the elderly communities for the past many years. We all know firsthand of his joyful spirit, kindness and real affection he shows all of us here at Eskaton Village Placerville. Thank you Brian and congratulations for well-deserved recognition of your dedication. We so appreciate you! Please go to Facebook and watch the video of Brian at: https://www.youtube.com/watch?v=x_xVoVxQaQ

EVELYN MCGRATH
Executive Director

THANK YOU!

We are so grateful for the overwhelming support we received from residents, family members and Eskaton Village Placerville employees. Our 2020 Walk to End Alzheimer’s Fundraiser was a tremendous success. We were able to raise $1416. All proceeds will definitely help the Alzheimer’s Association in so many ways. A big round of applause for the effort of our talented and creative residents who played a major part in this fundraiser.

These frames sold like hotcakes. Residents were all inspired to do more crafts.

All these items were sold.

Beautiful macramé ... brings back memories!

Such cute designs!

Tie Dye shirts all sold out.
**A FABULOUS DANCER!**
Everyone was amazed with the kind of performance Gwen, Life Enrichment Assistant, rendered during our hallway entertainment. She danced a graceful Broadway performance of Chicago. Gwen studied at Sacramento State with degrees in Dance and Spanish. Thank you for sharing your talent with us.

**How to Use FaceTime**
1. Open the FaceTime app on your iPhone or iPad. The app icon is green with a white video camera on it.
2. Tap the + button in the upper right corner.
3. Type in the phone number or email address of the person you want to call. Tap the number or address when you’ve finished entering it. You can also type in the person’s name if they are already in your Contacts list.
4. Tap Audio or Video to start your call.
5. If you need help or have questions, feel free to ask a staff member.

**CREATE YOUR LEGACY**
Recently, the Eskaton Foundation received a generous gift from a beloved resident who identified the foundation in their estate. This was a resident who lived at one of our communities for over six years, deeply appreciated the caring staff and fellow residents, and was avidly involved in the many programs offered.

His gift leaves a legacy for years to come, designating it to *Where The Need Is Greatest Fund*; providing funds for older adults in need of critical services and support; or for employees who face crisis situations.

To learn more about creating your legacy, call the Eskaton Foundation at 916-334-0810 or visit eskaton.org/eskaton-foundation.

**CORVETTE DRIVE-BY PARADE**
Residents had a wonderful time with the Cameron Park Corvette Club Drive-By Parade. Lots of excitement and fun seeing over 22 cars including a Tesla Model X with falcon doors. The event was featured on Good Morning Sacramento and covered by Mt. Democrat.

**Eating Your ABC’s**
Alphabet soup, made with pasta shaped into letters of the alphabet, is a lunchtime favorite. A fun and tasty way to encourage kids to spell out their name and other words, the soup also serves up a lesson in food history. While canned alphabet soup was popular during the 1950s, ABC-shaped pasta appeared in America as early as 1867. Since “Italian macaroni” was still a fairly new food for much of the country, noodles shaped like letters, hearts and stars were advertised to cooks as hearty additions to homemade broths.
HAPPY Labor Day
