Word for December: Celebrate

According to www.M-W.com, the word “celebrate” means “to observe a notable occasion with festivities,” and this month delivers with multiple celebrations. We plan on enjoying all the various holidays from Hanukkah to New Year’s Eve with you. Look at your calendar for Holiday Music Concerts, Happy Hour, Name that Tune, Holiday Price is Right, Traditions from around the world, Art, and more.

A Message From Adam Hill

Seasons Greetings,

I would like to take this opportunity to extend warm wishes to you during this holiday season. We have as a community, and nation, faced a year of challenge and disruption to what we once considered our ‘normal.’ In the coming weeks, the year 2021 will be behind us as we push ourselves through to a New Year that serves to provide an opportunity for new beginnings.

A special thank you to our residents’ family members and friends this holiday season. We continually feel very fortunate to be your Partners in Care of your loved ones.

I wish you all the best of the season ~ A healthy and happy holiday and a chance to reflect, recharge and reconnect with friends and family.

We look forward to sharing this special time of the year with many celebrations and music and cheer.
New Year Traditions

In America, New Year’s Eve celebrations are a time for singing “Auld Lang Syne,” watching the ball drop in Times Square, sharing a kiss at midnight, and eating blackeyed peas.

But the rest of the world celebrates in many different ways. Denmark. In this country, it’s customary for pals to throw old plates and glasses at each other’s front doors. A heaping pile of broken dishes on a home’s doorstep is considered lucky, because it shows those inside have many friends.

Philippines. Filipinos wear polka-dotted clothing and eat round foods during their New Year festivities. The circular shapes represent coins and are meant to bring prosperity.

Spain. At midnight, people in Spain eat 12 grapes, one for each chime of the clock, to bring good luck for the coming year.

Japan. Among the many Japanese New Year's customs is osoji—a “big cleaning” of the entire house to prepare for a fresh beginning. Folks also eat long noodles, which represent a long and healthy life.

New Year’s Eve

Wow, it is almost time to leap into 2022! December 31st we will have an afternoon music performance by Beny at 2:30pm. Wear your bling and be ready to ring in the new year.

Veterans Day Salute

It was an honor to pay tribute to the 23 veterans of the lodge, who represent all branches of the military. Thank you to all those who have served our country. We are thankful for your service.
Employee of the Month
Congratulations to Bill Roe, a Medical Tech, for being named employee of the month for November 2021. Bill has been here almost a year and is a team player and assists wherever needed. Thanks, Bill, we are proud to have you on our team.

Christmas Dinner
Christmas is just around the corner! We look forward to sharing the day with you. Here at the Lodge, the Christmas dinner will be served Saturday, December 25th, at the lunch meal. Come with an empty tummy and be ready to eat a Christmas feast with all the trimmings. We look forward to sharing the day with you.

3 Things You Need to Know
1) Flu sufferers can infect others up to seven days after symptoms start.
2) The flu vaccine is the best way to get protection from infection, but your body can take two weeks to develop complete antibodies.
3) Stay home during illness, wash your hands and cover your mouth while coughing to help stop the spread of the virus.

Enjoy the Gift of Connection This Holiday Season
The Eskaton Telephone Reassurance Program provides cheerful conversation and wellness checks to older adults 365 days a year.
You can be involved in many ways:
Share this special program with others who would benefit from more social connection.
Provide friendly phone calls one day a week for a few hours.
Receive friendly phone calls to share stories and mutual encouragement.
The Telephone Reassurance Program connects over 700 individuals every year and is a special demonstration of the Eskaton difference.
